

WHAT DOES LOCAL LOVE LOOK LIKE?

Anne Marie Stuckless taking part in the Norris Arm Boys and Girls Club's afterschool program. The club offers a safe and fun environment for children during the afterschool hours, and provides healthy snacks, homework help, physical activity and an opportunity to grow and develop life skills. The program benefits reach far beyond the afterschool hours as children often experience improvements in their school lives, social lives and personal lives.

Your donation allows us to fund programs that support children and youth by providing them with the opportunities that they need to reach their full potential for success with education and into adulthood. Your #locallove is giving them a chance to be all that they can be.
