Section 2: Community Impact

Reporting back to our donors is key to ensuring our ability to continue our work in the province, which ultimately enables us to fund projects such as this one. Please answer the following questions which offer tangible comparisons we can share with our donors. **Note:** *The information you provide below may be used in United Way campaign materials to highlight the positive impact your agency has on the quality of life in our community.*

1) Please provide a minimum of 2 reasons why donors should give, based on your accomplishments. Be sure to review the information you provided in your initial application for funding and link your answers back to your selected impact area and outcomes.

Examples:

- Delivered 36,000 nutritious meals to 736 seniors helping them to maintain their ability to remain in their home
- Enabled 524 at-risk children to have a mentor, assisting them to improve academic performance or improve family relationships
- Helped 37 young adults reduce the severity of angry outbursts and utilize strategies to de-escalate anger, through participation in anger-management groups

4) Please provide a testimonial or quote from a client, volunteer or participant, sharing their "story" or experience relating to their involvement in the program or service funded by the Community Fund grant.

Note: If you have privacy or sensitivity concerns, you may create an alias/pseudonym for client, please ensure you make this evident in the information you provide.

Examples: *The XXXXXX program helped many students across Newfoundland and Labrador enhance their literacy, math and social skills over the summer. One success story states "All questionnaires that we have received from the parents were positive. Everyone commented on how this program has helped their children in many aspects of learning, such as reading, writing, and comprehension."*

One child was just recently diagnosed with "high functioning autism. The child's mother has expressed to us, numerous times, how great of a help we were to her child and how this program has benefit her child greatly. She said "This program has helped [my child] be more interested in learning at home and has helped [my child] interact with other kids."

5) Please provide 2 photos of the funded program or project. The photo(s) should depict the project getting started, making progress, ongoing or finalized. Include a description of what's happening in the photo. Note: If there are people present in the photo, ensure they approved to share the photo, as it could be used in United Way promotions. **Where confidentiality could be an issue and you are unable to provide pictures, please give a very brief explanation upon submission.

(Send photos via email, along with this report, as a separate attachment, in colour and high resolution)
